Jumped

Rita Williams-Garcia

December 21, 2010

I would recommend reading Jumped, by Rita Williams-Garcia. The book addresses the issue of bullying from the real experts: kids. The story follows the day in life of three high school girls and the trouble that can happen when students stand back and say nothing. It is almost 200 pages long but it was pretty easy to read. I read the whole book over one weekend. Again, if you are looking for a fast and interesting book to read than Jumped is the book for you!
